**Amendments To The Abstract:**

In the English translation document, please add the section heading at page 13 line 1, as follows:

**--ABSTRACT**

A wind power unit comprising a mast, a rotor with several blades, a nacelle and optionally further components around which there is a flow, is disclosed. The surfaces of the mast and/or the rotor blades and/or the nacelle and/or the further components at least partly comprise recesses for improvement of the flow.--
